

california affordable website design

We have web site design packages to meet all budgets. Here are just a few of what some of our packages include: quick startup \$ 995*

The best option for a small-to-medium business on a tight budget, the starter package delivers you the same quality, the same guaranteed level of customer service, as well as all the sort of custom-built professional web design that normally costs you thousands of dollars.

- Up to 5 web pages
- One custom inquiry/contact form (with up to eight fields)
- Submission to search engines
- Integration of your existing logo need a custom logo? [need a logo?]
- Application of your keywords and Meta tags
- FREE Basic listing in the online USA Business Directory

basic startup \$ 1495*

Take advantage of the power of the web with our most popular website package that is geared towards companies that need more than our basic starter package, but are not quite ready to commit to a heavy-duty website presence. Your business will project a professional online image and your site will be up and running in as soon as a few short weeks!

- Up to 10 web design pages
 - One custom inquiry/contact form (up to ten fields)
 - Custom graphics and masthead
 - Submission to search engines
 - Application of your keywords and Meta tags
 - FREE Basic listing in the online USA Business Directory

eCommerce starting at \$ 2395*

Features available include newsletter, wish list, backstore administration, email marketing, customer database, UPS/USPS shipping, gift wrap options, and much more! Find out more about eCommerce online store fronts and contact us for your free quote. *Fees reflect design packages that are hosted with Creative Media Web Hosting. There is an additional \$250 setup fee for sites hosted with other companies. Click here to download our latest graphic and web brochure.
