"All I can say is Carole and Creative Media Web ROCK! My website is "simply beautiful" as promised. Have a look. Thank You Carole for all your hard work and patience with a first time e-commerce site owner. You have been a true professional and an excellent teacher!" www.shopsorella.com

"I just want to say " Thank you to Carole from Creative Media Web who did a wonderful job on my E-commerce web site. She has been very professional, curious and most of all patient. You can send numerous of emails to Carole, she will always find the time to answer your questions within minutes or at least the same day. If something were wrong on the site, she would fix it the same day or explain the way to fix it myself. I know that my web site was not an easy web site to build, but she delivered the site as promised. It has been a pleasure to work with Creative Media Web, Thanks again William" www.willyoriginalclothing.com

"Our project required technical talent along with an eye for quality. Carole and team exceeded expectations. I look forward to working with Creative Media on future projects." www.cgnsecurity.com

"Wonderful job! We needed it done fast but well, which is exactly what Carole provided for us. She has great creativity and professionalism. We have received so much positive feedback about our site." Biscotti Baking Company

"Carole transformed our old, tired website into something dynamic and eye-catching. I am most impressed with Carole's understanding of our vision for the business and her ability to articulate that vision in her design of our web site. I would highly recommend working with Carole!" www.spaprima.com

"Working with Carole is such a pleasure, however it is not just Carole's professional demeanor that makes her the right choice for me. Her work is beautiful. She is also very knowledgeable about optimization and other internet technology. She designed my banner and was easy to work with and prompt. Not only does she help me, but I recommend Carole's work to all my clients as well." The Mind Fusion

"CreativeMedia's 'Yes, We Can Do That'--attitude, ingenuity, timely communication and job punctuality won me over. One of the best business decisions I have made in a long time. Great work Carole!" www.awesomeheadshots.com

"Carole is on top of it. She does things fast and is always available by phone and email. It was such a pleasure to work with her, she was so patient with me, even when I was feeling so overwhelmed with everything we needed to change and create. She also came up with a beautiful color scheme that really matches the feel for my office. And the layout for the site was awesome! I could go on...I would and will recommend Carole to anyone in the future!" www.berkeley-acupuncture.com

"Carole has done such a wonderful job on my website. I had tried 3 other designers and the vision just was not there. When Carole and I spoke and she sent me the first draft I knew she understood what my vision was! Now it is

transformed for all my clients and future clients to see! I will be working with Carole for a long time and will recommend her to anyone looking for a great design and a well functioning website!! Thank you" Penny Christie

"We enlisted Carole to design and develop a logo for one of our clients. We have used multiple designers for various projects in the past. None have provided the professionalism and creative talent that we received from Carole. In addition, the project was created on time. We will definitely consider Carole for future projects." www.patotech.com

We are so pleased with the creation of our logo and website! Carole is a professional with great creativity and design skills. We will definitely recommend Creative Media Web to our business associates, friends and family. Hireahusband

"I am completely happy with Carole's design for my website. All of my friends and customers complimented how beautiful the website is and its ease for to navigate through. I will refer all of my family, friends and colleagues, physicians, to her. Continue with the good work Carole. " www.mhtaclinic.com

"Carole was wonderful to work with in designing my website. We had one long meeting where we talked and I shared my ideas, vision, and preferences for my website. She listened carefully and developed a meaningful site for my work. Please look at it, and you will see her wonderful work! She was patient, responsive, and had many wonderful ideas!" www.marthastewartmft.com

"Their technical expertise combined with personable manner and professionalism is exceptional. Carole and her team did an exceptional job in promoting my web presence, now I have a great website that is attractive and functional. I've experienced a difference with your company. Thanks again! I'll be back." www.appraiser-bayarea.com

"Carole put order to chaos. I had thoughts of how my web page should be. The best thing I did was ask Carole to do what she thought best, and I kept my thoughts to myself." www.nationalvoteproject.com

"Carole is remarkable! She knows what she is doing and does a great job! We are so pleased with the progress of our website. She listens to our ideas, needs and wants and is able to create the website we desire." www.goldenbear-homeappraisal.com

"Working with Carole was an excellent experience. She worked effectively, quickly, and collaboratively toward a publication deadline, with the speed of the work yielding no diminishment in quality." www.susansphillips.com
